Les Envoyés du Yuoclund

The performance is an ambulatory act on stilts by 4 comedians; it is very adaptable and can accommodate most places.

Technical requirements

Performing conditions

A playground of at least 250 m²
A short ambulatory (about 100m long) from the dressing room with stops decided after checking by the company.
Final on a open ground of about 15m²; ground has to be levelled (for stilts) with enough space for public to stand around.
Quiet surrounding (no sound system around).
Maximum capacity is 500 persons on front row
The show lasts about 50' to 1 hour.

Dressing Rooms

Must be available 3 hours before beginning of performance
Have a driving access
Have to be on the ground floor with a direct access to the playground.
Minimum size is 10m², with 2,50m's height, doors at least 2m's height
When possible, a bathroom with showers nearby is highly appreciated.
6 bottles of water and a light snack.

General Organization

During summer period, it is recommended that the show would be held at the coolest hours (due to the heavy clothing).
In case of 2 shows a day, performances must use the same setting.

Accommodations

2 doubles.
2 hot meals a day for 4 persons

Travelling needs

We have a car and a trailer, the cost is 0,46/km
By boat or plane, the total weight of our equipment is 158 kg.
